Did everyone at the

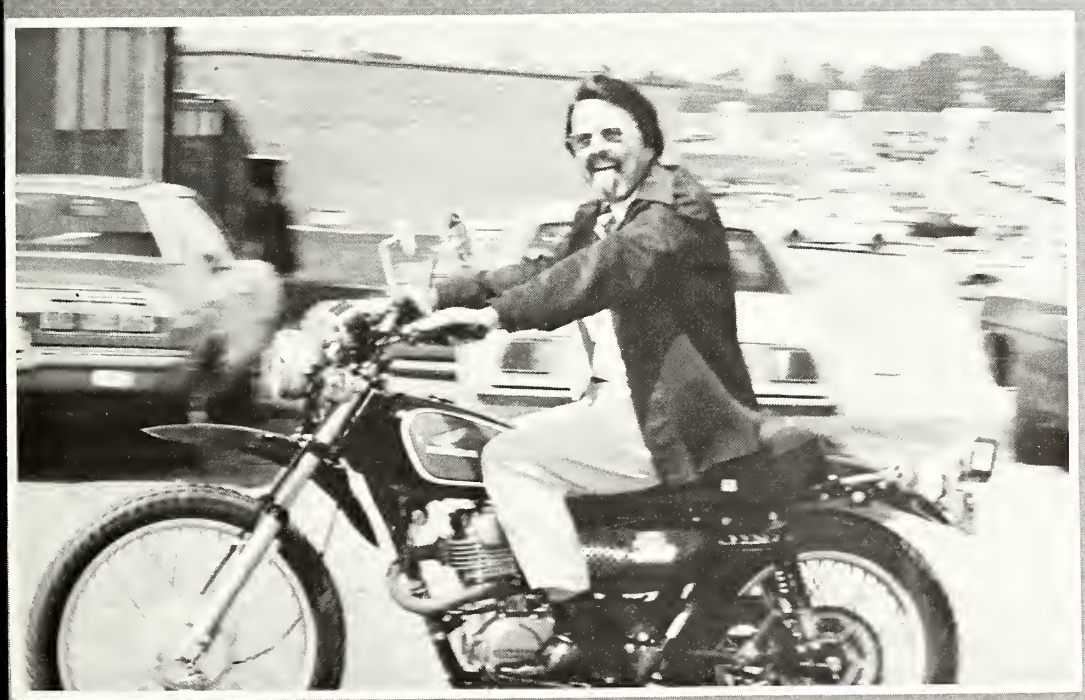
Good posture begins with an Accounting book.



After teaching East Central students all day, it feels good to hop on my wheels and let the good times roll.

It is our desire that this book serve as a reminder of your days at East Central Junior College. You have made many friends, formed new acquaintances, took part in many events all of which have helped make your days more enjoyable. Your journey through these years of your college career have not been without tension, sacrifice, sweat and even tedium and you may not immediately sense the excitement and gratification that you experience upon the completion of a completed assignment, semester or year. However, may I remind you that success demands perseverance and the joy of learning is one of life's great pleasures.

Whatever your educational goals have been we say "Thank You" for letting us help you.

Sincerely,

Charles V Knight

FRENCH CLUB

As every year, the French Club (Cercle Francais) sponsored by Mrs. Elisabeth Rowell, meets one Tuesday a month. Most of the time is used to discuss certain phases of French Culture and customs. Again this year the entire club had a Christmas Party in the home of Mr. Ovid Vickers. French cakes and pastries as well as hors-d'eovres were served along with the customary Bûche de Nóel, Christmas log. Films taken in France were enjoyed during the year. Le Cercle Fraicais closed the year with an informal picnic and swimming party.

All sporting events are important at ECJC — varsity and intramural. Nearly 100 students entered the individual intramural events, and many more took part in the team competitions. Most events were well attended, so it seems that the sports touched nearly every one of us in some way. All the rain, wind, and snow just made it all more "interesting"

HORSE WINNERS: Second place, Steve Combest, First place, Ricky Harrison, Third place, Terry Campbell

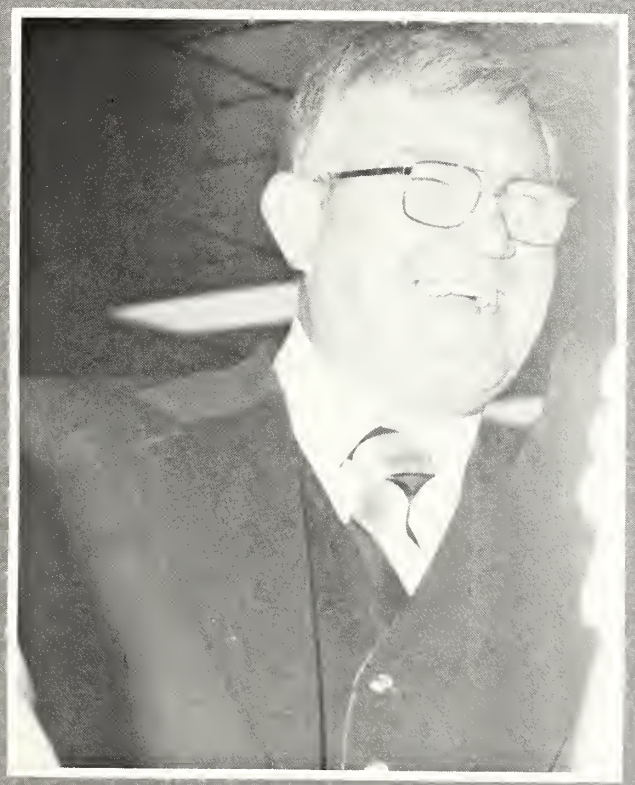
The ECJC students pictured above played together in different combinations in almost all of the team events offered — and they most often WON!



When the year ends, many teams and individuals are honored as winners, but really we are all winners at having fun!

THANKS FOR THE MUSIC

Mr. and Mrs. R.G. Fick
April 27, 1978

After bringing the special sounds of music to the East Central Junior College Campus for twenty-seven years, Mr. R.G. Fick, Head of the Fine Arts Department, retires to march to the sounds of a different drummer. Former students, scattered far and wide, continue to use the training he gave them to bring joy and musical knowledge to still others. So on and on it goes. May it never stop. Keep up the good sounds, Mr. Fick, we are still listening, still learning, and still loving it.
